Dear Parents and Students,

In response to requests from several parents and students who wish to appear for both, the NEET and IIT-JEE, after the Class 12 Board Exams, we are pleased to this year offer you the option of also receiving our study material for Mathematics for the IIT-JEE Exam along with your study material in Physics, Chemistry and Biology for the NEET. This will facilitate your preparation for both the Engineering and Medical Entrance Exams right from Class 11.

If you decide to exercise this option, you will receive the Mathematics study material at the same time as the NEET material, according to the dispatch schedule given below. You will also be eligible for the online Test Series for Mathematics that our IIT-JEE students will be administered.

To receive the Mathematics material all you have to do is to choose that option on the enrolment form and return it to us with the payment details. Its as easy as that!

This is the first time in our 50 year history that we are offering this option because we believe it to be in our students' best interests. We hope you will take full benefit of this offer.

We look forward to hearing from you soon.
