This will facilitate your preparation for both the Engineering and Medical Entrance Exams right from Class 11.

If you decide to exercise this option, you will receive the Mathematics study material at the same time as the NEET material, according to the dispatch schedule given below. You will also be eligible for the online Test Series for Mathematics that our IIT-JEE students will be administered.

To receive the Mathematics material all you have to do is to choose that option on the enrolment form and return it to us with the payment details. Its as easy as that!
