The award may be made to candidates who qualify in this Test by the Universities/IITs as well as by and other national organisations in accordance with the procedure prescribed by them. Similarly, recruitment to the post of Lecturer may be made from among qualified candidates by Universities/Colleges as per their prescribed procedure. Selection criteria are the same for both options. However, candidates qualified exclusively for eligibility for Lecturership will not be considered for Junior Research Fellowship.

The UGC Test for Junior Research Fellowship and eligibility for Lecturership is generally held twice a year, normally in June and December. All details about the Test and the actual dates are published in the Employment News and in the UGC's website <http://www.ugcnetonline.in>, usually in February & August.
